TO ORDER, SPECIFY

Stationary Section
1 - Cabinet Mount
2 - Strap Mount
4 - Closed Slot

Length
AR - Automatic Release if desired
AND/OR
RC - See chart below

For information on Strap Mount option see page 27.

Notes
1. Finish: All standard slides are coated with Poxylube™ dry film lubricant.
2. All standard slides are designed to lock-out in the extended position and are available with an optional automatic release if lock-out is not desirable.
3. Standard hardware packages include all the hardware necessary to mount your Chassis Trak® slides:
   - Rear mounting bracket (B-217 or B-161) included
   - Bar Nuts (CA8056-06-0017 or CA8056-06-0014)
   - #10-32 screws and keps nuts
4. All sliding members of the standard slide are made from cold rolled steel.
5. All Chassis Trak® solid bearing slides are supplied with a quick disconnect feature.
6. Optional mounting patterns, slide lengths and extensions are available.
7. For optional mounting brackets see page 34.
Strap Mounting Option

**C-230 Strap Mount**

![Diagram of C-230 Strap Mount]

**Notes**
